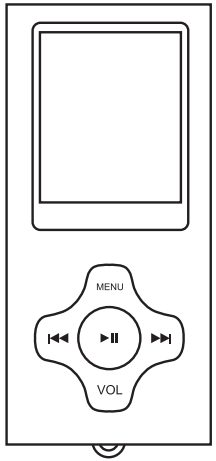
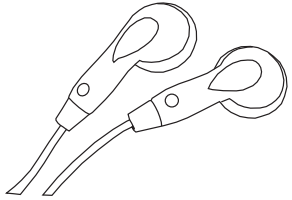
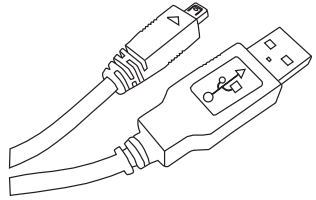
What's in the blister?



Portable Media Player



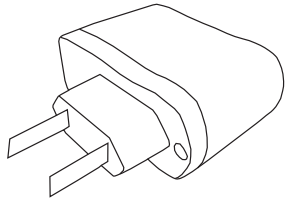
Digital Earphone



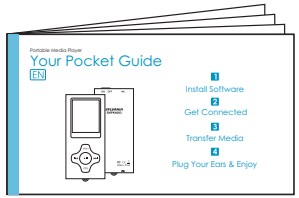
USB Cable

CD-ROM containing:

- Media player driver for Windows® 98/98SE
- Software for converting .act files into .wav files.
- Software for formatting internal memory.



Battery Charger



Your Pocket Guide

You'll need a computer with:

Windows® 98/98SE/ME/2000/XP/Vista
Pentium Class or faster Processor
CD-ROM Drive
64MB RAM
30MB free hard disk space
USB Port

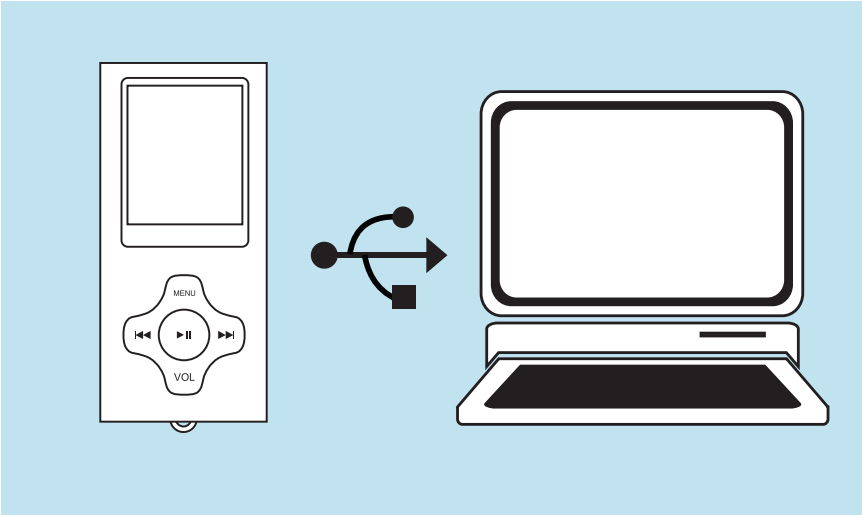
Software Utilities Installation

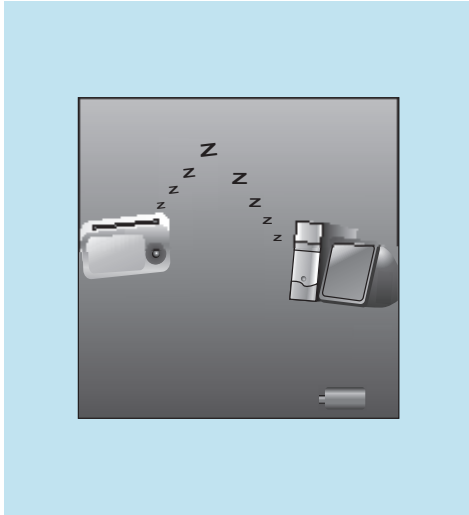
Insert the CD into the CD ROM drive of your PC.
Click **Setup.exe** to start driver installation.
Follow the on-screen-menu to complete the installation.

Click **Close** once you reach the **Installation Complete** screen.

For Windows® 98/98SE users, please install the driver in the CD-ROM before downloading any files to your player.

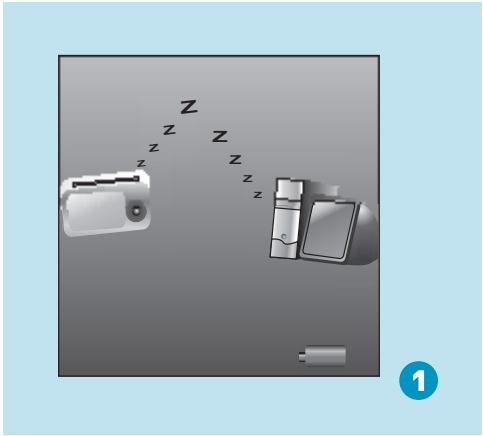
Connect



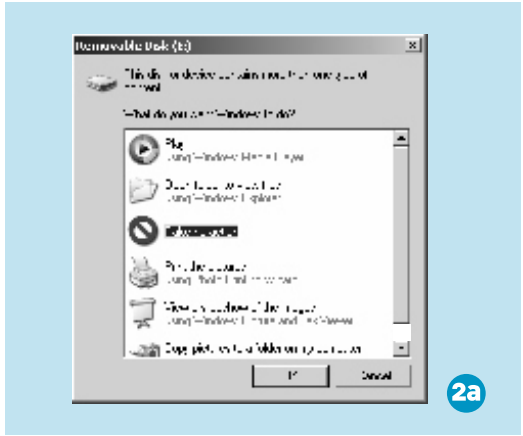


Your player will be charged while being connected to PC through the USB cable.
! You will see the charging animation in the bottom right hand corner of the display.
The player is fully charged when the charging animation stops.

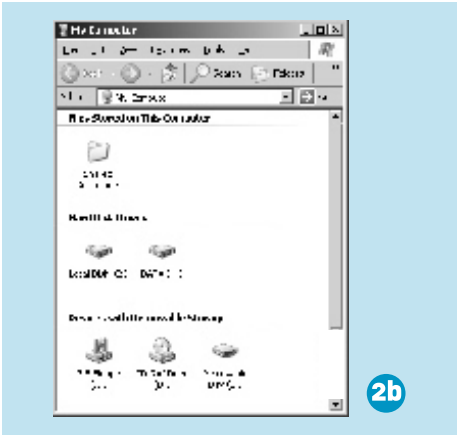
Get Your Player Connected



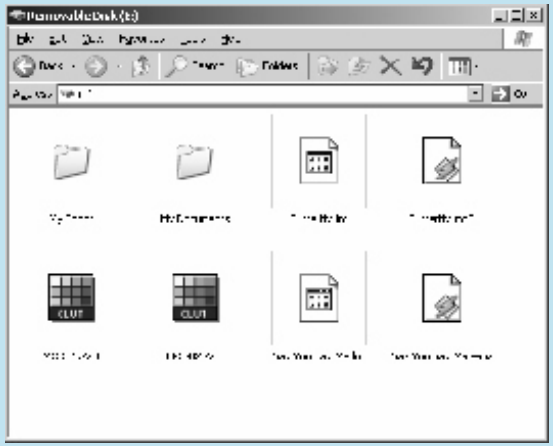
Step 1:
Set the Online Device of the player as USB Disk (Refer to Page 6), then connect it to your PC by USB cable. Once the connection is successfully made, the above screen display (1) would be shown. Try re-connecting the player if the above screen doesn't appear.



Step 2:
The above screen (2a) would appear. (Apply only to Windows® XP)
Choose **Take no action** and click **OK** to close the window.



Double click **My Computer** on your desktop and the above window (2b) would appear. Look for the **Removable Disk** icon.



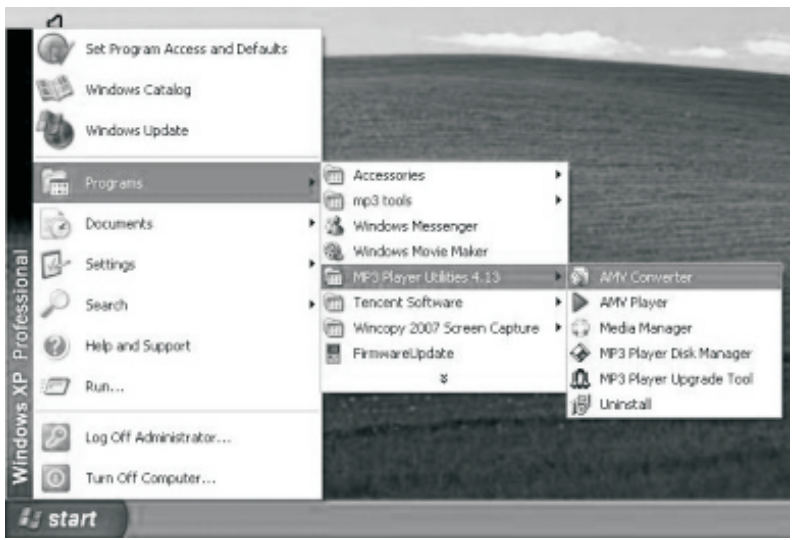
Step 3:
Double click the **Removable Disk** icon.
Note: Do not disconnect the USB cable once you click into the removable disk window. Such action may cause data loss or problems to the player.

Drag and drop your media files into the removable disk.
You can create any folder or directory in the removable disk.
Close the removable disk window and disconnect the player from your PC after the data transfer.

Transfer Music, Image & Movie

Software Operation

You can convert your favorite video file in any other format into the .AMV format with the help of the **AMV converter** (Programs\MP3 Player Utilities 4.13\AMV Converter).
The converting progress is shown as below.



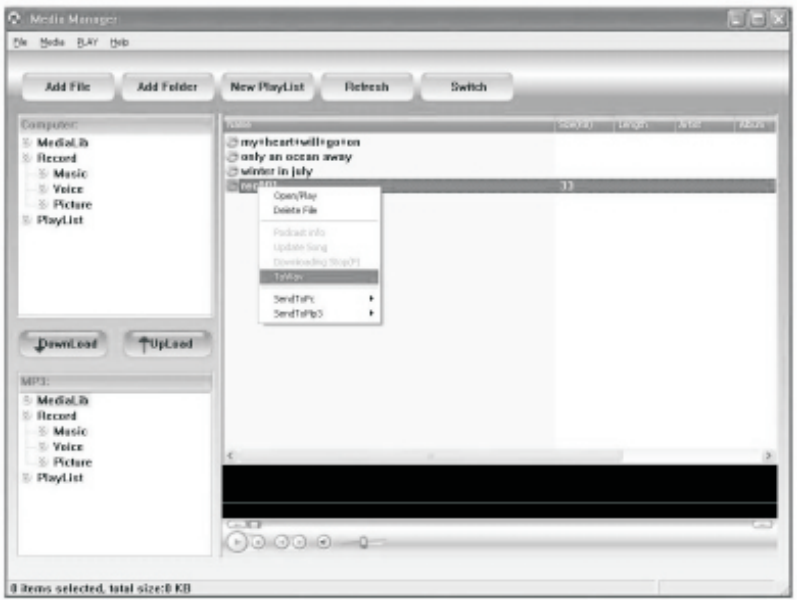
1

2

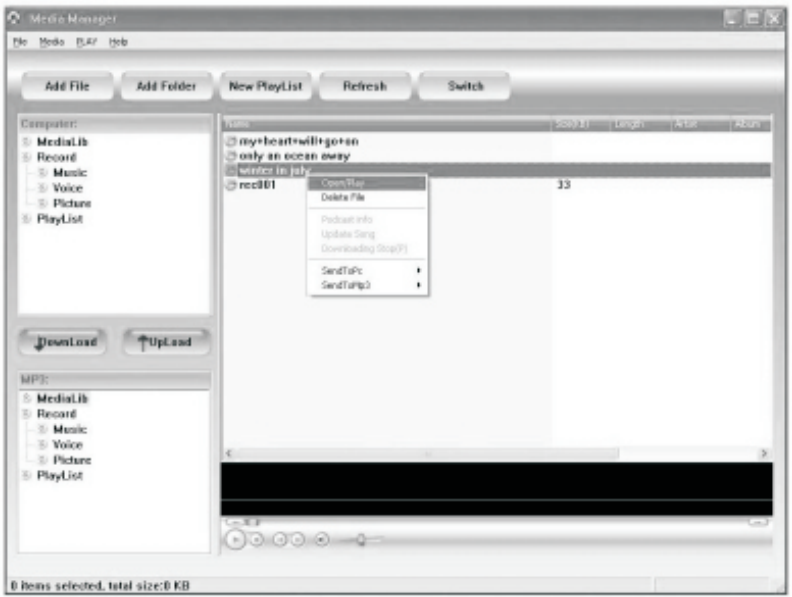
Enjoy Your AMV Movie

To enjoy the converted movie on your PC, you can play it thru the **AMV player** (Programs\MP3 Player Utilities 4.13\AMV Player).

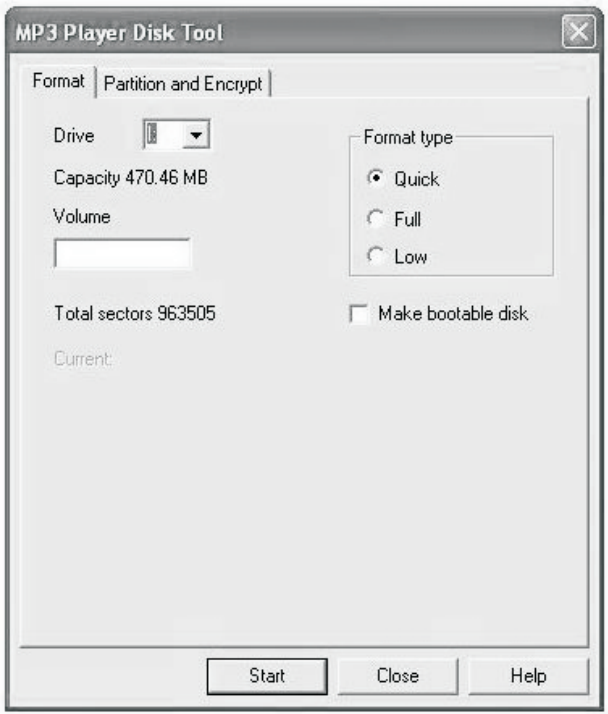
Software Operation



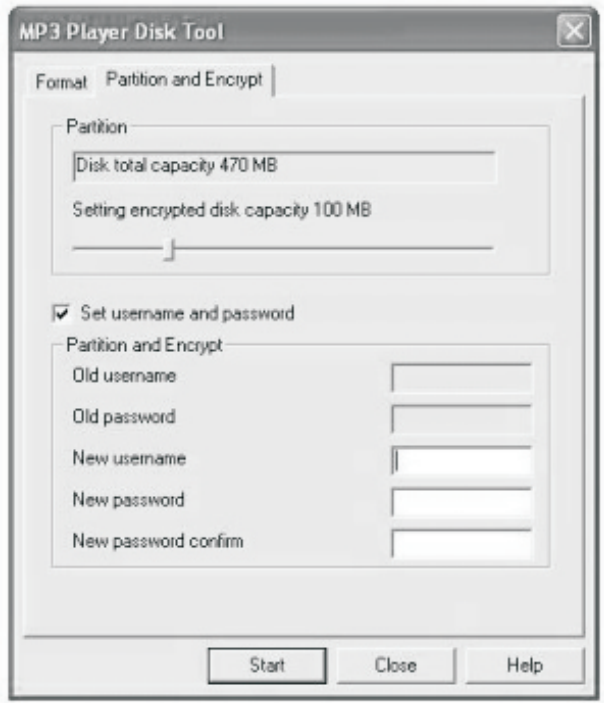
Your can enjoy songs from both PC and your player thru the **Media Manager** (Programs\MP3 Player Utilities 4.13\ Media Manager).



You can also convert your recorded .ACT voice into .WAV format thru the **Media Manager**.



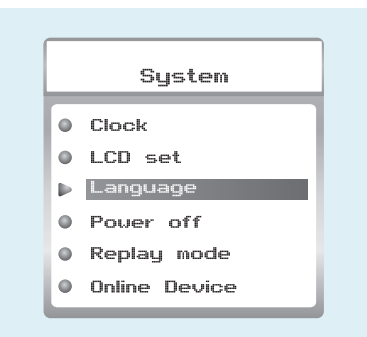
You are also allowed to format the memory of your player, or divide it into two partitions in Programs\ MP3 Player Utilities 4.13\MP3 Player Disk Manager.



If the updated version is available, please use **MP3 Player Firmware Upgrade Tool** to upgrade it.

Select Your Preferred Language

Step 1:
Press ⏮ / ⏭ to select **Setup** on the main menu, then press ⏯ to enter its sub-menu.



Step 2:
Press ⏭ to select **Language**, then press ⏯ to confirm.

Step 3:
You can select your preferred language by pressing ⏮ /⏭ , and then press ⏯ to confirm your setting.

Clock Setting

Step 1:

What should I do if…

Q: I cannot enter the MUSIC mode after using the player for a period of time.
A: You should format the memory of the player under connection to PC.
(Be sure you remember to backup the data in your player before performing the above action.)

Q: I cannot convert my video file into the .AMV format.
A: Please make sure that the media player software for video files has been installed on your PC. Then try to convert again.

Disposal of your old product

Electrical and electronic equipment (EEE) contains materials, parts and substances which can be dangerous to the environment and harmful to human health if wastes of electrical and electronic equipment (WEEE) are not disposed correctly.

Equipments which are marked with the WEEE logo (as shown on the right), should not be thrown away with your household waste. Contact your local Authority Waste Disposal Department as they will be able to provide details of the recycling options available in your area.
